Subject: I am AGAINST the temporary use of the Rose Bowl by NFL & changing Pasadena's Municipal Code to increase large events to 25 per year

I am against the temporary use of the Rose Bowl by the NFL and changing the Pasadena Municipal Code to increase the 12 events to 25 events that would generate more than 20,000 attendees. The Rose Bowl currently holds approximately 12 events per year that each generate more than 20,000 attendees, primarily on weekends. 12 events is enough. The Pasadena Municipal Code limits such event to no more than 12 per year. The proposed project would amend the Municipal Code, Chapter 3.32, to temporarily increase the limit for large events up to 25 per year.

1

Please do not increase the 12 events to 25 events.
