

# WELCOME

What's Going On?

Call to Action: A Forum to Address Obesity and Its  
Impact on Maternal, Infant, and Child Health

# Objectives

## Maternal Child Adolescent Health Outreach Program

- Discuss the problem of obesity on maternal, infant, and child health
- Discuss the impact of maternal obesity on pregnancy and birth outcomes
- Discuss the impact of obesity on individual health during childhood and early adulthood
- State three risk reducing/preventative measures that decrease obesity among the maternal, infant, and child population
