

COUNCIL DISTRICT 4

Hello Everyone,

Please try to attend one of the General Plan Community Information meetings. We need to keep focused and protect our District.

Too much density equals traffic, congestion and affects our quality of life.

Thank you,
Gene

The Community is invited to two General Plan Community Information meetings in June to learn about the draft General Plan Land Use and Mobility Elements, the direction given by the City Council, and the environmental review process.

The Community Information Meetings are scheduled for:

- **Saturday, June 15 starting at 9:00 a.m.** at Pasadena City College's Circadian Room,

Building CC, at 1570 E. Colorado Blvd. Please park at Lot 3 off S. Hill Ave. (parking is \$2).

- **Thursday, June 27 starting at 6:30 p.m.** at Pasadena Presbyterian Church's Gamble Lounge,

585 E. Colorado Blvd. Free parking is available on the north side of E. Union St. between N. Madison Ave. and N. Oakland Ave.

City staff will offer the same presentation at each meeting.

At the upcoming meetings, City staff will give attendees an in-depth presentation on the direction given by the City Council to study changes to the General Plan. Planners will give background on what an environmental impact report (EIR) typically studies, describe how a General Plan EIR is different from other kinds of EIRs, and inform attendees about future opportunities to provide input during the environmental review process. Although these meetings are not part of the environmental review process, if community members are ready, staff will record any initial thinking on subjects the environmental impact report should study.

Later in the process, staff will prepare an environmental Initial Study. This Initial Study will provide preliminary environmental analysis, give initial findings on the potential level of environmental impact, and state which subjects require additional study. In the future, the City will host environmental scoping meetings to allow the community to review and provide feedback on the environmental initial study. Throughout the environmental process, City staff will continue to meet with the community to present progress on the analysis and to take comments.

On April 29, the City Council reviewed and provided direction on eight key components of the General Plan Update. This included changes to the:

- Guiding Principles,
- Land Use Element's Policies and Objectives,
- Organization of the Land Use Element,
- Mobility Element Objectives,
- Goals and Objectives of the Mobility Supporting Initiatives,
- Specific Plan Boundaries,
- General Plan Land Use Diagram, and
- Development Caps.

To view the proposed changes to the General Plan Land Use and Mobility Elements or for more information on the General Plan Community Information Meetings, please visit www.cityofpasadena.net/generalplan or call 744-7310, or email generalplan@cityofpasadena.net

Help us tell everybody about the General Plan Update. Please forward this email to your friends, family and colleagues.

Pasadena Career Expo
Friday, June 14, 10am until 1pm

The City of Pasadena Enterprise Zone and the Foothill Workforce Investment Board will hold a career expo to give job seekers the opportunity to meet employers with real job leads. **MEET AND GREET YOUR PUBLIC SAFETY OFFICERS at
Pasadena Public Library's Hastings Branch
Tuesday, June 18 from 2 to 5 pm.**

PASADENA, Calif. - Are you prepared for a calamity, catastrophe, or disaster? Do you know what to do when the big one hits? No? Then join us for a wonderful opportunity to meet your Public Safety Officers on Tuesday, June 18 from 2 to 5 p.m. at Pasadena Public Library's Hastings Branch, 3325 E. Orange Grove Blvd. Learn what you can do in event of a disaster and how to prepare your family for the eventuality of one.

Hastings Branch Library will host representatives from the City of Pasadena Police, Fire, Public Health, Water and Power Departments and Huntington Hospital Disaster Team who will share disaster preparation tips and advice, answer questions and display their vehicles and equipment. There will be food, music, games and stories too! For more information call (626) 744-7262.
