Panelists generally spend no more than three to five minutes on the work sample(s) for each application. Please be aware that the entire sample (not just the selected segment) is considered a part of the application package and may be reviewed.

Specific Instructions for Artistic Documentation:

related programming may be submitted. If any additional visual material **is** submitted the applicant must explain the relationship of the support material to the application, and how it reflects the applicant's **capacity** to produce the proposed project. (11) CALIFORNIA CULTURAL DATA PROJECT FUNDER REPORT

The City of Pasadena has partnered with the California Cultural Data Project (CCDP). The CCDP is a state-wide, collaborative effort of public and private funders throughout California and consists of an online system for collecting and standardizing historical financial and organizational data. The City of Pasadena, along with other funders in California, now requires applicants to complete a Cultural Data Profile through the CCDP website (<http://www.caculturaldata.org>).

Participation in the California Cultural Data Project (CCDP) is REQUIRED for all 2014/2015 City of Pasadena Art and Culture I, Art and Culture II, Art and Culture III, Art Education Partnership, Festival and Parade categories. (A CCDP profile **IS NOT** required for the Individual Artist category or Individual Art Educators applying to the Art Education Partnership category). FREE MONTHLY WEBINARS for new users: register at: <http://www.culturaldata.org/webinars/>

The CCDP provides the cultural community with consistent, reliable, comprehensive data on arts and culture in California, enabling organizations to view trends in their data, benchmark themselves against peer organizations, and enhance their organizational capacity and reduce time spent applying for funding. Applicants applying to more than one of the participating funders only need to update their information once each year.

- In order to complete the Cultural Data Profile, organizations must first register at the CCDP website by creating an organizational login ID and password. **Information for the Cultural Data Profile is organized by fiscal year-end and data is only entered for completed fiscal years for which an approved financial audit or review exists.** Organizations that are not audited or reviewed will enter data based on approved year-end financial statements.
- Applicants are asked to provide two years of financial and organizational data the **first time** they complete the Cultural Data Profile. (Going forward, groups will only need to provide one year of data.) You will have access to online training and can get support from the Help Desk during regular business hours.
- **The Cultural Data Profile will collect the financial and programmatic information for your organization or arts program; project budgets and narratives will NOT be captured by the CCDP.**
- The completion of the Cultural Data Profile will require an investment of time. A number of resources will be available to help applicants, including a Help Desk and online training. Applicants should direct questions concerning the Cultural Data Profile to:

California CDP Help Desk: Toll Free: 866-92-CACDP or 866-922-2237

The California CDP Help Desk is available Monday – Friday from 9:00am – 5:00pm, PST.

Email: help@caculturaldata.org

California CDP website: <http://www.caculturaldata.org>

Please print and review the Funder Report and include it in your application

Upon completion or update of a Cultural Data Profile, applicants should go to the “Funder Reports” section of the CCDP website and print the pre-defined report for the 2014/2015 City of Pasadena grant program to which you are applying. Relevant information from the applicant’s Cultural Data Profile will automatically be imported into the 2014/2015 City of Pasadena funder report.
